Yth Bapak/Ibu, HR Departement

Dengan Hormat,

Perkenalkan nama saya Dion Pandu Pamungkas. Melalui lamaran ini saya tertarik untuk bergabung Ke Perusahaan Bapak. Saya merupakan lulusan dari Smk Jurusan Rekayasa Perangkat Lunak. Saya memiliki kemampuan membuat website sederhana seperti web company profile, landing page. Juga memiliki basic dari Troubleshoot Hardware Software. Dan juga saya mampu bekerja dengan tim.

Pada awal tahun 2020 saya magang/kerja saya selama 3 bulan di Palmedia Corporindo dimana saya percaya bahwa hal tersebut memenuhi skill pada role yang di butuhkan.

Selama magang/kerja, tanggung jawab saya menjadi IT Support di palmedia corporindo adalah membantu apa yang dibutuhkan oleh pembimbing seperti membantu memasang kabel jaringan LAN, menginputkan data ke Microsoft Excel, dan juga mendesain banner produk dengan software design.

Bersama dengan email ini saya lampirkan CV dan Portfolio saya. Jika ada hal lain yang dibutuhkan mohon dapat menghubungi email ini <u>dionpandu9613@gmail.com</u>.

Atas perhatian Bapak/Ibu, saya ucapkan terimakasih.

Hormat Saya,

Hard

Education

University of Technology Sydney

Here is where you can mention what you studied and brief details on what you learnt. You can also mention any extra-curricular activities you did relating to your degree.

My Resume Project

I took this design from the community at figma and I have made it a website that can be accessed by the public

https://yonn-2k03.github.io/Resume/

Page 07 0f 11

My Explore Project

I created this website when I was in high school. First, I made this project because I wanted to promote Srau Beach through the website, but because my brother has a business, namely a homestay on the beach. so I made a website about Srau beach and homestay

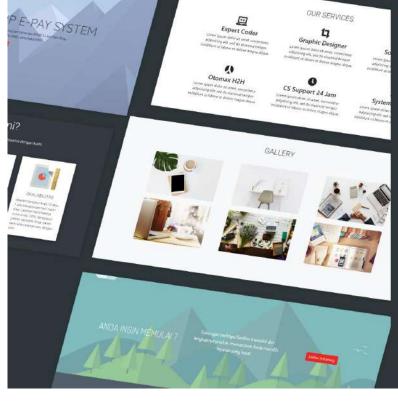

https://gooddeal-homestay-pantaisrau.com/

Page 09 0f 11

My Explore Project

I created this website because during my internship I didn't have any assignments.
